**Whether you are travelling on business or for pleasure,  
there's the perfect transfer option for you.**

## **VIP TRANSFER**

Travel in comfort and style with our VIP airport transfer service that makes the transition between Auckland Airport and our hotel a smooth and luxurious experience.

Your personal Chauffeur will meet you at the gate, assisting with luggage, before leading you to a luxury sedan. Upon your arrival, regardless of the time, your room will be ready for you.

Travelling to or from the Airport to the Pullman Auckland via VIP transfer will cost \$125 NZD.

If a larger vehicle is required, Transfers New Zealand offer a Mercedes Viano Van for groups of 3 or more, or for any guests with extra luggage. This is at a cost of \$145 NZD.

*Please note, all transfers with our chauffeurs are subject to availability and require at least 48 hours notice. If our chauffeurs are unable to accommodate your request, we do have another Luxury Transfer service we can provide. These rates may vary.*

## **TAXI TRANSFER**

Taxis are available from the rank outside the Arrivals' Terminal at the Auckland Airport, or the rank outside the Pullman Auckland at all times. Taxis are individually metered, therefore the price can fluctuate depending on traffic. We usually see inbound and outbound Taxis costing around \$60 - \$100 NZD.

## **SUPER SHUTTLE**

The most cost effective transfers are with Super Shuttle. Travelling to and from the Airport to Pullman Auckland will cost \$35 NZD for the first person, and an additional \$8 NZD for any person thereafter. These shuttles can be caught outside the Arrivals' Terminal, and payment is made to the driver upon arrival at Hotel/Airport. These Shuttles take around one hour from the Airport to the Pullman. You do not need to pre-book a seat for this service from the Airport to the Hotel, however if you wish to travel from the Pullman to the Airport, we will require at least 4 hours notice.
